FALL ROCKY MOUNTAIN GOAT HUNTS

Contact us for hunt pricing and scheduling. Goat hunts are dependent upon successful application.

PCO has an excellent Rocky Mountain Goat hunting in our area (Unit 27-5). Hunting would typically be conducted one-on-one with a dedicated guide and wrangler. Using horses, camping will be out of traditional tent camps and spike camps. We can design a hunt to meet your needs on this special once-in-a-lifetime hunt in the State of Idaho. Season dates are typically August 30th through November 12th.

DROP CAMPS*

PCO can pack up your hunting party and gear and take you to a drop camp for a week of self-guided back county hunting. You bring your own gear, tent, and food, minimum of 4 hunters. Please limit your gear to 50 pounds per person and 100 pounds of food. At the end of the week, we come and get you and your game from a successful hunt. Please contact us for scheduling and availability.

Pricing:

Minimum 4 hunters \$1,500 per hunter

* We are not offering drop camps at this time.
